MD-4DM

Piper's MD Series Multiple Well Drop-ins add a dependable, convenient and economical hot food unit to your counter section. Designed to be used wet or dry, multiple well units are available with or without drains.

The MD Series Multiple Well Drop-ins are designed for installation into all metal counter fixtures.

### ASSEMBLY STRUCTURE

- One-piece top-mounting flange is 14-gauge stainless steel with die-stamped openings in which the wells are mounted
- Individual wells are 20-gauge stainless steel, one-piece, die-stamped construction
- Locks are included on all sides to fasten unit into the countertop
- Each well is individually insulated to reduce heat transfer and for easy serviceability
- Drains are manifolded together and include fittings at each end for field attachment of the pipe cap and 3/4 NPT drain valve

The recommended mounting procedure is to seal the one-piece top-mounting flange to the countertop by application of silicone NSF Standard 51 rated at 450 F around the topmounting flange before mounting in place.

NOTE: CONTROL PANEL CUTOUTS SHOULD BE CENTERED ON THE LENGTH OF THE DROP-IN UNIT

**LIMITED WARRANTY: PIPER PRODUCTS** warrants to the original purchaser parts and labor for a period of twelve (12) months from the date of purchase. See manufacturer's complete warranty for details.

It is our policy to build equipment which is design certified by companies that have been accredited at the Federal Level by the Occupational Safety and Health Agency (OSHA) and ANSI as a National Recognized Testing Laboratory. These companies include CSA International, Underwriters Laboratories, and the National Sanitation Foundation. However, a continuing program of product improvement makes it necessary to submit new models to the agencies as they are developed. Consequently, all models may not bear the appropriate labels at all times. We reserve the right to change specifications and product design without notice. Such revisions do not entitle buyer to corresponding changes, improvements, additions or replacements for previously purchased equipment. Information is not for design purposes.
