

Merchandisers

Grab-N-Go Merchandisers

Piper's Grab-n-Go Refrigerated Merchandisers incorporate a unique airflow design that allows product to remain cool even in ambient temperatures up to 75°F. The front-mount digital controller displays the current cycle, including defrost mode, which decreases unnecessary service calls. There is also easy access to the condenser, with no tools required.

Available in 3, 4, 5 and 6 foot lengths, in hi- or low-profiles, as remote or self-contained, and in any finish to match any decor, Piper's Grab-n-Go merchandisers are Built to Work and Built to Last.

Grab-N-Go - Hot or Cold

Multiple profiles and sizes for you to choose from.

All Grab-N-Go units can be ordered as heated, refrigerated, remote or selfcontained and include many features and options, including:

- · Fully adjustable shelves
- · Powder coated or stainless steel interior
- LED Lighted shelves
- · Rear-access doors
- Rigid PVC Composite panel construction

Drains To Floor Drain Powder Coated Interior LED Lighting LED Lighting Glass End Panels Independent Zones With Divider Glass

T-Cases

The perfect 3-sided solution for your end-cap needs.

Three and four foot lengths available in narrow and wide profiles

- Same features as our Grab-N-Go merchandisers
- Metal frame construction
- Each compartment individually controlled with digital thermostat

Curved Front GNG

Just a little bit bigger, but holds a lot more!

By curving the shelves outward, the display area was increased by 23% while the footprint only grew one square foot!

- Same great features as our standard Grab-N-Go
- Drains to condensate pan
- Automatic self-defrost

Fully Adjustable Shelves Standard on all Grab-N-Go Merchandisers

Dual Grab-N-Go

Independent zones for temperature flexibility

Dual design allows for greater temperature control over a larger display area. Units can be dual hot, or dual cold.

- Tempered glass divider
- Refrigeration can be remote or selfcontained
- Available with rear mounted doors for easy loading and unloading
- · Can be ordered in any laminate finish

Island, Mobile and Combo Merchandisers

Piper's large selection of merchandisers includes models that will fit anywhere in your operation. Entice customers with an attractive island warmer, or move your mobile merchandiser to highlight a feature product. Combo merchandisers can be built for inline *or* island service, and the dual temperature zones display a greater variety of product to help you save space. Whatever you need, and wherever you need it, Piper has the right solution for you.

Mobile Merchandisers

Self-service merchandiser for packaged deli items, sandwiches, salads and soft drinks

Hi or low-profile, heated or refrigerated, we have just the right model for you.

- Steel frame construction
- 3/4" plywood exterior finished in hi-pressure laminate standard
- Removable shelves and deck pan
- 3-1/2" swivel casters, 2 with brake
- Available with condensate removal device to eliminate need for plumbing

Combo Merchandisers

Combine our Grab-N-Go with ambient merchandisers and soup wells

All of the features and options of our complete line of merchandisers can be combined into one convenient unit. You choose what fits your operation the best!

- Hot, cold or ambient compartments
- Remote refrigeration or self-contained
- Metal frame, 3/4" plywood construction or Rigid PVC composite panels
- Stainless steel or powder coated interior
- Soup wells or dry top

Island Merchandisers

Many shapes, sizes and capacities to choose from Single-tier, Double-tier, round or rectangular, we have just the right model for you.

- Perfect for packaged hot foods such as rotisserie chicken and other ready-to-eat meals
- Stainless steel heated deck plates radiate warmth uniformly
- Shelves provided with NSF-4 overhead heat and light with infinite digital temperature control
- 3/4" plywood construction finished in hi-pressure laminate standard

Drop-In Merchandisers

optional night curtain

The food is cooled by a controlled air flow pattern maintaining 38°F to 40°F within the cabinet, even if the customer side is opened.
