

the Piper Focus

Lineups for your style and budget.

From basic meal service to elaborate buffets, we create the units to fit your project.

Design Basics

Piper offers a full-range of lineup equipment to meet your needs. For the budget-minded consumer, our Design Basics serving tables meet the bill. They are available as hot food, ice pan, and solid top configurations from 2-5 pan lengths, with various protector guards to choose from.

For something more robust and versatile, check out our modular Elite and Reflections lines. Each offers a multitude of options, accessories and colors to create the perfect buffet. Personalized just for your business.

Custom millwork is the ultimate way to create the most unique lineup with all of the greatest features. Make it straight or round. Make it square or oblong; the choice is yours. Coordinate materials from stainless steel, to laminate, to tile. Add a solid surface countertop, protector guard and LED lights. Let your imagination run wild!
