New Dual Grab-N-Go Merchandiser

Two Individually Controlled Compartments in one unit

The latest addition to Piper's Grab-n-Go merchandiser line is the new Dual-GNG. With individual controls for the left and right sides, product can be kept at different temperatures simultaneously. This 8-foot wide hi-profile merchandiser includes additional features like Rigid PVC Composite panel construction, stainless steel interior, and individually lighted shelves. All of our GNG merchandisers are available in hi- or low-profile configurations, as remote or self-contained, and in any finish to match any decor. Call your local Piper representative today to see which Grab-n-Go is right for you.
