

the Piper Focus

Open up to Infinite Possibilities

How many options can you add?

We went *All-Out* when we created this attractive island bar, including over 13 incredible options. You would be hard-pressed to come up with an option that this unit doesn't include - but we would love to see you try! Check out the list below and then call a Piper representative to see what amazing options you can include in your design!

1. Soup wells
2. Cup Dispensers
3. Hot Top Surface
4. Air-Over Cold Pan
5. LED Lights in Guard
6. Multiple Steam Pans
7. Cold Wall Half-Round Pan
8. Under-Counter LED Lights
9. Self-Contained Refrigeration
10. Coordinating Laminated Panels
11. Recessed, Lighted Plate Shelves
12. Heat and Light Over Steam Pans
13. Quartz Countertop with Integrated Tray Slide and Stainless Steel Rib Inserts

Add to this the ability to laminate in any color combination imaginable and you begin to see the infinite possibilities Piper can provide.
