

the Piper Focus

Mobile Ice Dispensers

Available in 3 capacities to fit your operation

Our Mobile Ice Dispensers with self-leveling pans are stainless steel and fully insulated for durable functionality. The dispensing mechanism utilizes 3" deep ice pans mounted on a calibrated spring assembly, which is completely removable for easy cleaning. Insulated stainless steel sliding covers help keep the ice cool when not needed, and the cabinet includes a standard drain with valve. Call your local Piper representative today and order your ICE unit today!

Standard Features

- Reinforced handle with bumper
- Perimeter bumpers
- 5" swivel casters
- ICE-1 has one 15" x 20" ice pan.
