Good Ole American Made Ice Chests

Stainless steel & 2 convenient sizes

LACROSSE
by **PIPER**

*Units shown with optional 15" stainless steel legs (#L400-99S15-S)

What's more American than a cooler full of beer on the 4th of July? Heavy-duty stainless steel ice chests from LaCrosse! You can choose any length up to 48" in 6" increments, and add options like a bottle storage tray or a 14" extra deep ice bin. Make it even more American with beefy stainless steel legs for extra durability! Built right here in central Wisconsin, LaCrosse Ice Chests are a perfect companion for all of your underbar equipment needs - all of which can be found at Lacrossecooler.com.

Features include:

- 304 Stainless steel, welded and polished top, front and sides.
- 11" deep, 304 Stainless steel insulated ice chest
- Optional factory-installed 4, 8, or 10-circuit post-mix sealed-in cold plate
- 18" Galvanized steel legs with hammertone paint standard
 - Stainless steel legs available
- Units with sealed-in cold plates have 15" aprons and utilize 15" legs to maintain overall height.
- Standard sliding cover
- Standard 1/2" drain
- Meets NSF specifications
