

the Piper Focus

Grab-N-Go & Elite - the perfect combo

Add a matching merchandiser to your lineup!

Piper's Elite series of cafeteria equipment has been a popular choice for schools across the country for years. But now you can add our Grab-N-Go merchandisers to make your lineup complete. Insert the display anywhere in line, order matching laminated panels and a trayslide, and you have a perfectly integrated GNG solution. Customize the unit with a powder coated interior, rear-loading doors, and a night curtain for attractive functionality. The merchandisers are available in 3, 4, 5 and 6 foot lengths and in Hi- or Lo-profile to give you just the right amount of display area for your operation. Call a Piper representative today, or visit www.piperonline.net to learn more about the Elite cafeteria equipment and our full line of Grab-N-Go Merchandisers.
