

the Piper Focus

Did we mention we make
underbar equipment too?

With all of the racks, cabinets, cafeteria and support equipment we manufacture, it's easy to forget about the full line of underbar products we offer. But there is so much to choose from! Between sinks, mixing stations, drink rails and ice chests, you can create the exact layout needed for your bar. Plus, Piper makes custom bar configurations too. Work with our designers to determine the proper equipment schedule, appropriate dimensions and a list of required accessories and be up and running in no time. And rest assured, the uncompromising quality and craftsmanship is trademark Piper. Learn more at lacrossecooler.com or call a Piper representative today!
